

Denmark aluminum-cased fiber optic communication equipment manufacturer

Overview

OFS is a world-leading innovator, manufacturer and provider of infrastructure solutions for communication networks and specialty fiber optic products. Their expertise. OFS and Heraeus Comvance today announce that Heraeus Comvance has acquired part of the OFS Fitel Denmark ApS plant in Brøndby (near Copenhagen). Heraeus Comvance will manufacture standard optical telecommunication fibers based on a European value chain and will provide these fibers to the EMEA. All our products are carefully selected from our regular suppliers and our in-house developed products from omi are created based on the strictest requirements and with the greatest ambitions for the market. We carry a complete product matrix within this segment, fully compatible with the leading manufacturers. No two FTTx networks are completely alike. Therefore you need the option to customize your network.
