

# Fiber optic terminal box relocation costs

## Overview

ISPs, such as Openreach, typically charge standard fees for relocations, which may include costs for site surveys and installations. It's important to avoid making any unauthorized changes, as this can result in accountability issues. f a new 2F-core cable ("2F Cable") by NetLink Trust using surface trunking only. For the avoidance of doubt, the Residential End-User shall be responsible to obtain and/or maintain any licence or permission necessary for NetLink Trust and/or its contractors to carry out installation f a new 2F. It's chargeable and costs just over £96 to move the ONT 10-03-2024 15h08 - edited 10-03-2024 15h43 You can contact BT CS to arrange moving the ONT but it will almost certainly be chargeable (>£100). It's chargeable and costs just over £96 to move the ONT I believe that is excluding VAT, so close. The Premitel Fibre Termination Point Relocation Kit enables your FTTP ONT (optical network termination) to be moved to a more convenient location in your home or office. Our ONT Relocation Kit. The reality is terminating copper and terminating fiber are very different. ATT likely loses money on the interaction. Hi u/GalacticKirby, we'd be glad to address your inquiry about moving your ONT. Key elements include the fibre core, cladding, and protective outer layer.
