

New Zealand Connector and Optical Cable Manufacturer

Overview

Find and discover Optical Cable manufacturers and suppliers for all products in New Zealand, featuring details on their shipment activities, trade volumes, trading partners, and more. Oplinx New Zealand Limited specialises in supplying high quality fibre optic cabling products into the data and telecommunication market. Oplinx NZ has been established as a competitive contender to lead the optical market with strategic innovation and customer focussed pro-activity. Our products are engineered for durability, resilience, and absolute dependability, ensuring uninterrupted. We are based in Melbourne, Australia, where both head office and production facility is located. Key markets are telecom, industrial and harsh. We have been involved in the supply of fibre optic cable and associated infrastructure for over 10 years, during that time we have supplied everything from DTS (Temperature Sensing cable), rodent resistant cable, though to aerial (ADSS, and OPGW), and even at times, Air Blown fibre cable.
