

Safe City Optical Distribution Box with 6 Cores

Overview

Product Description: The 6 Cores Waterproof Fiber Distribution Box allows for fast tower and FTTH deployments with IP68 protection, fully understanding the harsh conditions of outdoor deployments in all environments. Wall-mounted or pole-mounted installation is allowed. Copyright 2024 FOCC All trademarks, products, and company names mentioned are the property of. Gcabling is a leading fiber box manufacturer & supplier. We can manufacture and supply a wide range of fiber termination boxes with 20+ years of experience. FTTH Box comply with salt spray test, crush test and temperature cycling under international standard. Linkwell provides an Optical Distribution Box made of high-quality PC and ABS plastic alloy and SMC material from 2 fibers to. SJ-ODB-SK01-6 fiber optical box 6 cores are used to connect the fiber cables and it's the main components of the fiber network. It is important to understand the difference among them and recognize their types, to avoid any possibility of miscommunication.
