

# Thickened Rubber Shell Distribution Box

## Overview

FEATURES unbreakable, halogen-free and aging-resistant solid rubber housing resistant to a diversity of oils, greases, gasoline and acids high mechanical strength, aging and corrosion resistant UV and ozone resistant insensitive to fountains of welding sparks and similar. FEATURES unbreakable, halogen-free and aging-resistant solid rubber housing resistant to a diversity of oils, greases, gasoline and acids high mechanical strength, aging and corrosion resistant UV and ozone resistant insensitive to fountains of welding sparks and similar. Ever since the foundation of Vello Elektro in 2001, they remained our most popular products with proven quality. There are four different models, with a high or low frame, with or without junction box. Their robust characteristics makes them suited for application in harsh conditions: curious. Rubber Box are leading manufacturers and suppliers of power distribution boxes to events venues, film, television and entertainment industries worldwide. Their circuit-breakers are arranged inside the housing for optimum protection and can be quickly and easily accessed through a hinged cover. fessional – Because it just has to hold. fessional is our in-house brand for rock-solid rigging essentials and custom cable assemblies – combining the reliability of European imports with the craftsmanship of our own workshop. Honest. pc E Solid rubber distribution boxes — mobile — Information SOLID RUBBER HOUSINGS Our solid rubber distributor housings are made from a mixture of natural rubber, styrene and butadiene (NW SBR).
