

Tunisian FRP ladder cable tray manufacturer

Overview

Today the Cope brand is part of Atkore and is the premier producer of all major categories of cable tray systems. Cope products are produced to NEMA standards and range from standard commercial systems to the heaviest of industrial systems. SFSP FRP Cable management System is manufactured under the brand name "Intech", and is distributed exclusively by Unitech for Building and Construction Materials in the GCC and Mena regions. Our cable trays are designed to efficiently and securely route and support electrical cables, control cables, data cables, and fiber optic cables in. Atkore's Cope was the first modular cable tray system. Moreover, our focus on maintaining high quality. GRP or FRP ladders manufactured by Unique Fiberglass and Composites are extremely robust and sturdy, with anti-slip properties providing higher safety. This type of bridge has good anti-corrosion.
