

# Warranty for High-Density Cabinets and Enclosures

## Overview

We warrant our Cabinetry to be free of manufacturer defects for five (5) years from the date of purchase for most lines (all cabinets with painted finishes are limited to two (2) year warranty), or as long as the original purchasing consumer owns the home, whichever is less . We warrant our Cabinetry to be free of manufacturer defects for five (5) years from the date of purchase for most lines (all cabinets with painted finishes are limited to two (2) year warranty), or as long as the original purchasing consumer owns the home, whichever is less . Belden offers a complete line of open frame racks and cabinets that support all applications, from single-rack or cabinet applications (such as retail and telecom closets) to high-density, multi-rack/multi-cabinet patching and switching fields (in computer rooms, data centers and central offices). The Lanrack Enclosures are ideal for spaces requiring high levels of flexibility, security and durability. They offer great fonctionnality and full compatibility for mounting any EIA 310-D rackmount servers, switches or other equipment. Support and protect IT equipment with accessories for thermal management, power. Heavy-duty rack houses, organizes and secures large AI servers used in edge computing, enterprise and other mission-critical IT applications. Engineered to withstand extreme environmental conditions, DDB Unlimited's NEMA enclosures deliver unmatched durability in harsh climates. This warranty applies to the original purchaser that resides in the residential structure where the cabinetry were originally installed.
